# NLG Coil Helmet Lanyard

PRODUCT BRIEF / 101399

Product code: 101399

The Coil Helmet Lanyard is easy to clean and maintain and provides a compact high-performance alternative to the webbing helmet lanyard.

Helmets [or hard hats] continue to list as one of the top most common objects to be dropped. The NLG Coil Helmet Lanyard is designed to be easy to fit and use even when wearing gloves.

NLG's Coil Helmet lanyard is very compact reducing the risk of snagging. It is also very practical to keep clean and a durable alternative to webbing helmet lanyards. The clamp will work on any item of clothing and can be operated with one finger. It is load rated to break at 14kg providing an additional safety feature if working in proximity to moving machinery.

## INSPECTION

In addition to routine checks prior to each use, all equipment should undergo regular detailed inspection, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for thorough inspection.
