Product Brief

NLG BiLock Velcro Anchor

101422

NLG BiLock Velcro Anchor

Product code: 101422

The BiLock Velcro Anchor utilises clever dual Velcro layering allowing it to be attached to virtually anything and features a docking pad for compatible holsters.

The NLG BiLock™ Velcro Anchor creates an anchor point on belts, harnesses and rails. The unique Double Lock Velcro allows this anchor to be attached even to harnesses as well as belts without having to remove the item.

It features a Velcro docking pad for the NLG Phone Case and NLG Radio Pouch which produces a complete system for these devices.

INSPECTION

In addition to routine checks prior to each use, all equipment should undergo regular detailed inspection, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for thorough inspection.

Specification

- BiLock™ Velcro delivers secure tensile strength with dual Velcro layering
- Velcro docking pad works with NLG Phone Case (101383) and NLG Radio Pouch (101418)
- Allows quick addition of anchor point to standard tool belts, harnesses and rails
- 70mm Opening design for 50mm / 2" webbing
- Can also be used to tether hand tools and power tools
- Super strong welded D Ring
- Extended product life with high strength, wear resistant webbing
- Faster visual inspections with contrast stitching
- Unique serial number for easy identification and tracking
- CF marked
- ANSI/ISEA 121-2018 compliant
- Dynamic load tested and third-party certified (2:1 safety factor)
- Dimensions: 13cm x 2.5cm
- Max Load: 3KG [6.6lbs]
